Skills **Fluent French/English**; Proficient in Office Pack; Proficient in Photoshop, 3D modeling (MODO, Sculptris), photography (DSLR); Tennis pro and coach for 10 years.

As an artist I have always believed that in order to find your own style, one first needs to deeply understand and explore the established ways. Through my experience going between two languages (French and English) I understand the necessity to fully internalize one before playing with it. This has informed my work and technique in the visual arts.
