Member of Make-up Artists Guild Local 706

Mathias Alan's masterful artistry is illuminated in the craft of manipulating and contouring features and faces so the eye, camera or human, sees only the shapes and highlights you want it to see. With a master craftsman's eye for color theory, painting and his skills in blending on the human canvas, Mathias is accomplished in the art of makeup, illusion and artifice from Couture Contouring for the Red Carpet to the fantastical theatrical art of *Cirque Du Soleil*.
