WORK EXPERIENCE

JAN 2013- PRESENT

FREELANCE, TUCSON, AZ

Graphic Design Freelancer- I produced graphics for a myriad of clients. I did brand identity, logos, brochures, and customized websites. I produced quality work under deadlines. I also made sure my clients were aware of the most up to date trends of design to ensure their product had the competitive edge and long-lasting. I also designed basic websites, which included creating wireframes and prototypes.

MARCH 2015-JULY 2015

UNIVERSITY OF ARIZONA POLICE DEPT, TUCSON, AZ

Handled business related phone calls and emergency phone calls from the University of Arizona area. Dispatched Police Officers to calls and was responsible for asking investigative questions to provide officers with the necessary knowledge over radio. Was responsible for Officer Safety by recording officer locations into CAD system. Was able to multi-task through three to four different programs to perform different tasks while maintaining awareness of officers' activities. Data entry skills were essential for entering and maintaining warrants and stolen article entries. Speed and accuracy were essential in performing this job to promote citizen and officer safety.

OCT 2009- JAN 2013
