

"I don't know anyone quicker, better or more open to ideas than him."
Ray Banks, author of Wolf Tickets

JT LINDROOS

DESIGNER

DIGITAL ART | VECTOR ART | LAYOUT | ADVERTISING | PHOTO MANIPULATION
MANUAL ILLUSTRATION | CREATIVE WRITING | TYPOGRAPHY | LOGO DESIGN
PACKAGING | PROMOTIONAL ART | POSTERS

I'm a Finnish-American designer. 15+ years of experience. Easygoing, adaptable, no ego (but plenty of pride), outdoorsy movie and music nerd who LOVES design work. I can do layouts, concepts, branding, and illustration work using pens and computers, cameras and duct tape. I shoot and edit video, write copy and do packaging designs and lobby installations. Got something else? I'd like to try that too!

WHO

FOR WEB PRESENCE...
GOOGLE ME!

01/2005 - current BRUCE FOX INC. / DESIGNER

I design awards and lobby installations for a number of Fortune 500, corporate and government clients, e.g. Boeing, Google, Harley-Davidson, Pepsico, Cleveland Clinic and many others.

2007 - current FREELANCE / WRITER

Writing reviews and biographies for various clients and publications, including widely distributed work for All-Music Guide

01/2001 - 12/2001 SONY/EMAZING inc.

Graphic designer and content writer for this Sony-owned Louisville company.

01/2002 - current FREELANCE / DESIGNER

Global Freelance design projects mainly in the publishing and healthcare industries.

05/2004 - 11/2011 ART DIRECTOR/PUBLISHER

I ran the POINT BLANK PRESS publishing imprint, which released around 30 novels by renowned authors, winning notable awards.

"He's an artist - with skills, taste, knowledge, imagination. And he also has the rare and precious talent of listening and understanding what his clients want to achieve."
