

# Jasmin Viducic

My style of drawing uses ink pens, pencil, and watercolor to make my portraits and figure drawings. I work traditionally, putting my pen and paintbrush to either canvas or paper to create my works of art. I like to take on contemporary issues within my artwork but using traditional mediums. These are issues that matter the most to me, that I want to give a voice through my artwork.

## EDUCATION

2015 – present

**BACHELOR OF FINE ARTS**– Dominican University of California

- + Minor in Art History
- + Learning skills of multiple mediums and techniques used in all areas of art

## EMPLOYMENT

January 2016 - May 2017
